Links:

I have been in the industry for ten years as a freelance web developer. I have a keen eye for detail and most of my working life has been dedicated to creating different websites for clients.

Last year I was actively studying front-end development using Javascript/Typescript, React.js and other popular technologies & tools.

Looking for an entry-level position as front-end developer. I have a great desire to develop my skills and experience in this area of work.

## SKILLS

- React.js
- JavaScript
- TypeScript
- HTML
- CSS
- Flexbox
- CSS Grid
- Sass
- Material-UI
- Ant Design
- TDD
- JEST
- Git
- AXIOS
- Photoshop
